**What is a School-parent Compact?**

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students are successful and reach grade-level standards.

**Jointly Developed**

The parents, students, and staff of Ringgold Middle School have been given opportunities to help develop, revise, and strengthen the *School-Parent Compacts*. RMS will continue to provide these opportunities as meetings are held each year to review and revise the compacts based on student needs.
