**School Mission:** To provide a learning environment that promotes personal academic excellence

**School Vision:** Every Child, Every Day, Without Exception

### WHAT IS TITLE 1?

Ringgold Middle School is identified as a Title 1 school as a part of the Elementary and Secondary Act of 1965 (ESEA). Title 1 is designed to support state and local school reform efforts tied to the challenging state academic standards in order to reinforce and enhance efforts to improve teaching and learning standards for all students. Title 1 programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement. All Title 1 schools must jointly develop with parents and family members a written parent and family engagement plan.

**School Learning + Home Learning**

**= Improved Student Achievement!**

### SCHOOL PLAN FOR SHARED STUDENT ACHIEVEMENT

#### What is the Parent Engagement Policy?

This is a plan that describes how RMS will provide opportunities to improve parent and family engagement to support student learning. RMS values the contributions and involvement of all parents and families to establish an equal partnership with the goal of improving student achievement.

#### How is it developed?

RMS welcomes parent, family and community input and comments at any time regarding the plan. This can be done by filling out an Input Card which can be found on the school website, in the Family Resource Room, and on the back of this document. We distribute an annual Spring Survey asking parents for suggestions about the policy, program, and use of funds for family engagement. Parents and families are encouraged to give feedback at all parent meetings throughout the year, including two Parent Advisory Council Meetings (PAC). At the spring PAC meeting, parents and families review, revise, and approve the policy for the next year.

#### Who is it for?

All families are invited and encouraged to fully participate in the opportunities described in this plan. RMS will provide full opportunity for the participation of parents and families with limited English, with disabilities, and with migratory children.

#### Where is it available?

The policy is always posted on our school website. A copy can also be obtained in the Family Resource Room and at all in-person parent meetings throughout the school year. The policy is made available to our community. It is shared through the Catoosa County Family Collaborative and at Catoosa Kids Day.

### PARENT AND FAMILY ENGAGEMENT

RMS believes that family engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring that:

- parents play an integral role in assisting their child's learning
- parents are encouraged to be actively involved in their child's education at school

- parents are full partners in their child's education and are included, as appropriate, in decision making on advisory committees to assist in the education of their child

## PARENT AND FAMILY ENGAGEMENT MEETING AND EVENTS

RMS will host events to build capacity for strong parent and family engagement in order to support a partnership among the school, families, and community to improve student achievement. Meetings and events will be held at flexible times in order to offer all parents the opportunity to be involved. Meeting times will be determined by preferences parents indicate on the Fall Survey, and can be morning, afternoon, evening, or online. Timely notification of these meetings and events will occur through flyers, newsletters, the school website, text messages, and various social media apps including Class Dojo. Attempts will be made to eliminate barriers to family engagement, such as transportation, childcare and translations when requested by parents. Whenever possible, meeting handouts, presentations and minutes will be available on the school website.

## FAMILY AND SCHOOL TEAM (FAST) MEETINGS

**Benchmark Packets- (Feb/Mar 2023)** - Learn how you can help your child succeed this school year. During this whole-school meeting, teachers will share curriculum information and goals. Assessment data and how to interpret it will be reviewed. Learn strategies and receive materials to support learning at home. Important grade-level skills will be discussed. Parents will be given learning strategies to work on with their child and receive materials to support learning at home.

## SCHOOL-FAMILY COMPACTS

As part of this plan, RMS and our families will jointly develop a School-Family Compact for Achievement. This is an agreement that teachers, students, and parents develop together that explains how everyone will work together to share responsibility for students reaching grade-level goals. These grade-specific compacts stress the importance of communication between teachers, students, and parents. At the beginning of each school year, input from teachers, students and parents is gathered. Teachers and staff agree on how they will keep families informed and students on track. Students select the ways in which they will work toward achieving their goals. Parents are provided the opportunity to provide input on their role through the Fall Survey. A grade-specific draft is created and posted on the school website and in the Family Resource Room for parents and staff to review. Parents approve the final compact at the Fall PAC Meeting. A copy of the compact is sent home along with a cover sheet, which parents, teachers, and students all sign agreeing to their role in the educational process. The compacts should be referred to at home and will be referred to at school in parent or student conferences.
